REASONS TO SPONSOR

www.RIMSWesternRegional.com

RIMS Western Regional Conference is the premier risk management conference leading the field in controlling and optimizing risk. We are pleased to offer sponsorship opportunities for the 2024 RIMS Western Regional Conference, hosted by the Oregon RIMS Chapter.

The Western Regional Conference has limited sponsorship opportunities, offering high visibility to your current and prospective clients. The focus of the Western Regional Conference is to provide actionable content to risk and safety managers from medium and large companies, insurance professionals from both public and private sectors, financial professionals, and auditors. With registration typically ranging from 400-600 attendees, the Western Regional Conference is THE way to educate, connect and network with an influential and exclusive group of industry professionals.

The Western Regional Conference focuses on the needs of middle management and above. The majority of conference attendees will be company decision makers. We are expecting over 400 registrants with a venue that can accommodate over 500.

- The invitation list exceeds 18,000 individuals.
- Attendees repeatedly include marquee company executives (Amazon, Uber, Microsoft, Walmart, Boeing, Meta, etc.)
- The past 3 years' attendance averaged at least 40%+ corporate risk managers.

Top companies who call Oregon home!
