CLAIMS RESOLUTION IN THE NEXT DIMENSION

Did you know?  
85% of the time, a **Subspecialized Radiologist** can determine if an alleged injury is **acute vs. chronic/degenerative**

 **AUTHENTIC4D**  
MAKE BETTER DECISIONS CONFIDENTLY

**Independent Radiology Reviews**  
**Subspecialized Radiologists**  
**Objective: Studies Read Blind**  
**3D Proprietary Visualization Technology**

EARLY RESOLUTION BEGINS HERE | Western RIMS Booth #1 | [www.authentic4d.com](http://www.authentic4d.com)

 MARSH

## Next Begins Now

The risks you're facing today and may face tomorrow begin now. Keeping pace with changing risk landscapes and emerging opportunities requires fresh perspective. Our unique insights can help you manage not only your today but your tomorrow.
